

Partners

The Partnership for Child Health develops and implements services, programs and systems of care to improve the health and wellbeing of all children and youth in Northeast Florida by collaborating with these and other community partners in major child-serving organizations:

- Children’s Medical Services
- The Early Learning Coalition of Duval
- Family Support Services of North Florida
- The Florida Department of Health / Duval County
- Jacksonville Children’s Commission
- JaxHATS Transition Services Program
- Mental Health America of NE Florida
- Nemours Children’s Clinic
- Northeast Florida Pediatric Society
- Office of Children’s Ombudsman - Jacksonville
- University of Florida – Jacksonville
- Wolfson Children’s Hospital
